STATE ROUTE 18 AC REPLACEMENT PROJECT

SAN BERNARDINO MOUNTAINS – A project to remove and replace AC continues next week on State Route 18 (SR-18) in the San Bernardino Mountains between Granite Hill Duct (just north of Waterman Canyon Road) to the junction of SR18/SR138.

Work takes place from 8 a.m. to 6 p.m. Monday-Thursday. During construction, both the south and southbound lanes are alternately closed and all traffic is diverted to the opposite lanes. There is one lane open in each direction.

Also, the intersection of SR 18/North Waterman Avenue and east 30th Street (just north of SR 210) in the city of San Bernardino will be paved on Thursday, September 26th from 8 a.m. – 6 p.m. Please anticipate some delays and leave extra time for your commute.

For more information on these and other Caltrans projects, visit our web site at www.caltrans8.info and sign up for [COMMUTER/MEDIA E-MAIL ALERTS](http://www.caltrans8.info). View traffic conditions at <http://quickmap.dot.ca.gov> or you can view planned lane closures at www.lcswebreports.dot.ca.gov.

Follow us on Twitter at www.twitter.com/caltrans8. Like us on Facebook at www.facebook.com/caltrans8. Watch District 8 Weekly News Updates on Youtube at www.youtube.com/caltrans8.

Caltrans asks that motorists please be aware of the work and [SLOW FOR THE CONE ZONE](#).
